# El brindis de Margarita (A Toast for Margarita)

**History is but what our memories made of the past.**

Margarita is a successful writer with the nerve wrecking task of emptying the house where she grew up. She is the last member of her family and is left alone to do so. Her parents, now both gone, belonged to a different time, so did her grandmother, but they all shared their lives in that very same apartment she is no set to empty of all objects, memories, and history.

It all happens as the dictator Francisco Franco is removed from his burial place and the whole of Spain is shaken by history. Her thoughts travel back in time to a time where the dictatorship was very much alive, and her country was at the verge of collapse.

The story of three different generations of women touched by history in so many ways, that will appeal to readers of all ages, who will find themselves included in the pages of this powerful novel.

## Excerpt from the book:

*"You are about to open a very special door. If you do, you will dive into a world of music, words and images. Every page of this book will take to a different opera. Imagine entering a living picture."*

## Key selling points

# Tàndem (Tandem)

**Beautiful story about a man and a woman who gave themselves the opportunity to start over and rediscover what happiness means.**

Happiness is not necessarily a wonderful journey, nor is it so simple that someone chooses us and tell they love us, even though there are a love story with some “I love you” in this novel. The protagonists, Elena and Armand, from the moment they meet, try to get rid of everything that traps them, the painful events, the mistakes... They recover their spontaneity, and step by step they understand that you have to love yourself to have the chance to reconquer the happiness of your present. They also realize that they have the right to change, to look at the world, at others, in a different way than they have done for years. A frank way, no matter how long it takes, they have to grant themselves freedom to live fully.

Barbal’s contribution to Catalan literature has earned her numerous awards, including **the Critics' Prize, the National Prize for Literature, the Serra d'Or Prize and the Creu de Sant Jordi**, the highest medal awarded by the Catalan government.

## MARIA BARBAL

A novelist and teacher, she published in 1985 the novel *Pedra de tartera*, inspired by the rural surrounding she grew up in, which became a landmark of the Catalan narrative in the 80s and is now considered a classic. With her later novels – which take up more urban environments –, *Mel i metzines* and *Càmfora*, she won more literary awards and was acclaimed by the public and critics alike. Since then, she has written more novels and collections of short stories, translated into Spanish and other languages. Her literary achievements got her the Creu de Sant Jordi, i.e. Cross of Saint George, the highest medal awarded by the Catalan government.

# El imperio de los leones (The Empire of Lions)

Throughout Europe, the raw and thrilling story  
of a major mafia clan

In 1972, Jean Neige and his gang are preparing the big job that will establish them as one of the most dangerous criminal groups in France. But taking control of the Lyon mafia is a long, blood-smeared path that they've just started to explore, and that will eventually lead them, among other things, to urbanizing Costa Brava, controlling prostitution and hash traffic in half of Europe. The gang members, who share their time between their own illegal activities and other dodgy -albeit legal- businesses such as construction, find themselves in a crossroad in 2006. Will Neige's son, the heir of the empire, be able to maintain the clan's ruling position?

With this thriller inspired by the French mafia clans operating in Spain since the 70s, the author dives into the deepest part of the human soul and crowns himself as a reference writer of the genre.

*"Powerful, realistic, deeply noir, and combining moments of absolute cruelty with episodes of blind loyalty to the clan [...], L'imperi dels lleons is to be enjoyed from the first two violent pages [...] to the outcome."*

—Calibre 38, blog

*"This is a well-structured and documented story, with a style which is hard to forget."*

—Libros y Literatura, blog

*"L'imperi dels lleons is an excellent story told through powerful images that will stay with the reader thanks to the frenetic pace of the novel."*

—Abrir un libro, blog

# El último vagón (The Last Wagon)

**A tribute to those teachers who have such an impact on their students' lives, that are forever remembered.**

Ikal is 11 years old, the son of a railway worker and dreams of becoming a teacher. He admires Chico, counts the trains that pass by with Tuerto, dreams of Valeria, a peasant woman, and lives a thousand adventures with Quetzal, his dog. They are all Don Ernesto's students, in the Malinalli Teneplat school-wagon, during the course in which all of their lives will take a turn. Among fields of fruit trees and old wagons, thirty students will rediscover life thanks to the passion of a teacher who has united his fate with that of his students.

A black and white photo of them all, which sleeps in a forgotten file of the Secretariat of Education, will become years later the worst nightmare of Hugo Valenzuela, a brilliant inspector. Don Ernesto, old and almost blind, must retire. He asks for a replacement, but some politicians consider school-wagons to be old-fashioned and useless. Useless? Hugo is not so convinced and decides to pull the thread. He'll rediscover his past, risk his future, and discover that there are traces that cannot be erased. Like those of the first love or those of a teacher who, through curiosity and affection, opens the windows to the world.

## Excerpt from the book:

*"Meanwhile, hundreds of kilometers away and in an abandoned train station, an old teacher picked up the notebooks that his students had left lying around. With care, he caressed each of them like a precious treasure."*

# Un té para curar el alma (A Tea to Heal the Soul)

**An inspirational story about the adventure of living.  
Based on a real story.**

On his way to scatter his late brother's ashes, Tony chances to meet Kosei San, an old Japanese man living out his post-retirement days in a rustic, solitary cabin by the edge of a cliff. But this is not to say that Kosei San is at rest. His attention does not stray for long from the steep rock face battered by the winds. This scene of wild beauty in the Rocky Mountains is also a site chosen by many suicides to plunge into the other side of death. Even though he is growing blind, the old man can spot them from afar.

When he sees anyone walking toward the edge of the abyss with a melancholy gait and without guide or camera, he takes off running. He falls to his knees, speaks to the person, and begs them to first share a pot of tea in his cabin and to tell him their story before departing. Through this ceremony, the aged man warms the spirits of the would-be suicide while baking a dessert to evoke memories of childhood. At the end of each personal account, Kosei San reveals the song of the abyss, which whispers a powerful message about keeping on.

## Excerpt from the book:

*"I don't get it. Who's Kosei San? Where did he come from?"*

*"He was an old man with Asian features, wearing eyeglasses and a white cotton hat. He gripped me tightly and stared at me with eyes that begged. He said, "I know your life has been very hard . . . until today."*

## Key selling points

- ✓ Based on a true story that will touch the heart of millions of readers.

# No escribiré tu historia (I Won't Write Your Story)

In the line of *The grapes of Wrath*, this literary family saga follows the three generations of a family from the south from the Great American Depression to the Covid-19 pandemic.

When Dylan wakes up at the edge of a Californian desert road, after a motorbike accident, he does not know what has happened, why he is barefoot or where Sarah, the girl travelling with him, is.

The search for the answers will reveal three generations of the Pont family, from the fifth year of the last century to just a few years after the coronavirus crisis. The family's conflicts and dramatic circumstances lead to a tense and electrical encounter between Dylan and his mother.

*I won't write your story* is the description of two contrasting journeys that collide in the dramatic story of a complex and unique woman, the unforgettable Patsy Pont.

# Todos nos recordarán (They Will Remember Us)

Discover the incredible story that two of the greatest authors in history shared together.

Goethe and Schiller were close friends. But what nourished their friendship?

We will discover that behind each of these geniuses there is more than it seems. But this is not just a chronicle of their lives. Will discover that their wives had a great influence on them. Conceived as a “game of mirrors” which explores the nature of men and women, the past and the present the book explores all the facets of the characters and their lives.

The book represents an intimate reflection on the close connection between life, love, and the process of creation.

## Excerpt from the book:

*“Goethe dried the sweat from his forehead with a handkerchief and walked through the fog to the door of the von Stein house. He had flown from his study at home, unable to banish from his mind an image that was like a perfectly painted picture, crudely precise. The image was of his own dead body. He had run, past Christiane on the stairs, observing him leaving without uttering a word. And he had run until his steps found his former lover’s house.”*

# Saber estar (Etiquette)

**The unusual story of an extinguishing character who awaits her final days and reflects about Barcelona.**

A great walk through Barcelona today, from the approach of the character, a classical bourgeois of Example. The elderly lady who reflects on her surrounding, her reality, the city that used to be her and is turning increasingly unknown. She walks and thinks about her personal relations, the siege of tourists or her relationship with her children. She will also bring back memories of her husband who passed away years ago. A main character who is extinguishing.

The clash of the past and the present from a very special approach. A novel containing Barcelona as a character, from the most bourgeois Eixample to the most popular neighborhoods. A portrait of the old Barcelona and a reflection on the current Barcelona.

## Excerpt from the book:

*"If it were up to Mrs. Mascort she would have been fired long ago. It would be the best, but she knew her children would be infuriated. They hired her when she broke her foot after a terrible fall. 'You can't be alone'. 'Whatever happens' 'She will keep you company'. But what kind of company? she wonders."*

# Que Al·là em perdoni (May Allah Forgive Me)

**The love story between a Muslim girl and an atheist boy that will push the limits of their beliefs.**

Samira is a Muslim girl who arrived in Catalonia with her family as a child. Her father, religious but open-minded, wanted to distance her from the rigid traditions for women in Morocco.

Now Samira has grown and lives her faith private and intensely. She is a happy and dedicated student in her first year at college. What she couldn't imagine is that, by meeting Jordi, her life would turn around. A kind boy, Jordi falls for her, but their religious differences are made present and Samira finds it impossible to date an atheist without hurting her family. She fears repudiation and losing touch with them.

Jordi's acquaintances can't picture him dating a girl with a headscarf. They will both need to face their feelings and make irreversible decisions.

## Excerpt from the book:

*"In the name of Allah the Clement, the Merciful, may God forgive my temerity, my way of acting, my evil mind, my cling to the prohibition and for loving it with all my might. I, Samira Al-Mohjtar Taybi, daughter of hajj Ali Hamid, that skinny girl who ran around the courtyard with two pigtailed, that naïve and obedient girl, the apple of dad's eyes, the one he protected and loved the most, I am now at the Muslim cemetery of Barcelona, lost in my sadness and lonely as the devil himself, the worst enemy of God and our prophet Mohammad. # Pasión imperfecta (Imperfect Passion)

**Did you know that who invented WiFi was a woman named Hedy Lamar? An actress and a model, and she changed our life.**

Friedrich Mandi is a young Austrian who takes over his father's arms factory. He manages to amass one of the largest fortunes on the planet, thanks to customers including Mussolini, Hitler and Franco. Mandi is rich, eccentric, powerful, a womanizer and astute.

When in 1933 he sees the film *Ecstasy*, where actress Hedy Lamarr plays the first-ever female nude and the first orgasm on the big screen, Mandi becomes obsessed with her. And he doesn't stop until he gets her hand in marriage, against her will.

Hedy is a beautiful and gifted young woman, an engineering student with a healthy romantic life. Fritz locks her up in his Salzburg castle where he holds events with politicians, businessmen and judges, and forces Hedy to attend all of them. She reluctantly consents and takes advantage to sell the patents of her inventions. However, what will make her truly rich is her career in cinema.

From 1937, when she escapes from her relationship with Mandi, she triumphs as an actress in Hollywood and continues to pursue her vocation as an inventor, becoming a forerunner in communications.

## Excerpt from the book:

# La última paloma (The Last Dove)

**A thriller that will chill the reader to the bone.**

Before the American base of Rota a group of neighbors claims for justice: the greatly mutilated body of the young Diana Buffet lies on the floor, with huge wings sown to its back.

The cameras and the surveillance helicopter haven't been able to record an helpful image for the investigation, which doesn't make much sense. Sergeant Patria Santiago knows that the killer will act again, but nobody believes her as she has lived in pain for far too long and seems unreliable.

One single clue, the research that Diana conducts about the base and her relation to the vanishing of a young girl seventy years before when the Americans arrived to Rota, seem to be the only threads.

Will it be enough to find the killer?

## Excerpt from the book:

*"The headache was bearable after the confusion, like migraine. The problem was the hit. There were days when she got them endlessly. The worst days went by in a dark silence, only interrupted by the sea. Inés didn't know if James was in the house. Sometimes something scraped her head and she awaited the hit. # La maestra de Sócrates (Socrates' teacher)

**The greatest mind ever to exist learned everything from a woman. This is her story.**

Socrates' teacher centers on the figure of a brave woman ahead of her time whose ideas are the origin of the concept of platonic love. At The Banquet of Plato, Socrates revealed to the rest of the attendants: "All that I know of love is what I learned from her."

In a time where women were silenced, the unlikely relationship between a young Sócrates and Diotima will shape the way Western civilization will forever think about love.

## Excerpt from the book:

*"Socrates burst out laughing, exposing a denture, yellow but which, in turn, made for an affable smile. In understanding suddenly who he was, the priestess glanced back at her with the gesture of complicity and whispered:*

*"So you are the great sage of Athens..."*

*"Well, that's what they say," Socrates shook his head.*

*"Don't be modest. I've heard a lot about you."*

# Una Madre (A Mother)

**A crazy yet deeply touching family comedy, with an Almodóvar ring to it**

*Una madre* tells the story of a dinner, and of the seven attendants who are bound to share the beginnings of a new life none of them are envisioning. With her sense of humor and determination, Amalia weaves a net of invisible threads around the table meant to unite and protect her family.

She mends the silences of some, while she channels the present and future of others. She knows that this is going to be a long night: full of secrets and lies, of laughter and crossed fire, and of words held back for too long which will finally explode to enlighten the way to go. She knows this is the time to take action, and she is not willing to let anything get in her way.

*Una madre* is not just the portrait of a woman who decided to take the hardest path at a certain time, even though she has been rewarded with the power to look after her children like she never expected she would need to; this is also an intimation of what the human race is capable of proving to itself when its best side comes to the surface.

*"A moving portrait of a very brave woman, unique and deeply funny!"*  
— **Libros con Alma Blog**

*"The author makes something as mundane as a family dinner poetic."*

# Un amor (A Love)

Two printings in a week and The Nadal Award winner 2018  
The third book of the successful story of Amalia and her family

In Amalia's small familiar world, in which her three children Silvia, Emma and Fer are the most important, feelings and emotions are what power life. Amalia's family is a common one, and overall, very real, with problems and argumetns.

But their relationships are about to be tested. Emma is about to get married and all the members of the family are very involved in making the wedding day one of the best and give Emma the ceremony she deserves. The night before the wedding an unexpected phone call threatens to tumble the family's harmony. On top of that, there's also Amalia's birthday to plan and celebrate, and it is on the very same day of the wedding.

We'll get a glimpse of Silvia, Emma, Fer and their family members on the moments before and after the wedding and we'll follow them on an emotional rollercoaster that will put all of the familiar harmony to test.

# Abril descubre el mar y los helados de fresa

## (Abril Discovers the Sea and the Strawberry Ice-cream)

**She is 40. He is 20. You are welcome.**

Abril lives a dream life. Her son Alex is a happy and cheerful boy, she has the two best friends she could ask for and she already counts twenty years of happy marriage with his husband Pedro. So, she is finally ready to take an important step, to have a second child.

But suddenly life takes a turn when Pedro announces that he has accepted a position in Miami and he'll be moving there with the new girl he's met. Without looking back, he abandons his wife and his son and takes off.

Abril needs to find a way to remain strong and keep going, and she will do so with the help of her two friends. Then she meets Óscar, a young physical trainer of twenty-seven years, and he teaches her how to live, be young, and love herself.

But what will happen when Pedro realizes he has made a mistake and wants to go back to her?

### Excerpt from the book:

*"Our breathing was fast, and my hands were already exploring under his shirt. My senses were overwhelmed by the smell of strawberry popsicle, sea and salt."*

# La abuela que cruzó el mundo en una bicicleta

## (The Old Lady Who Crossed the World on a Bicycle)

An inspiring novel about the great joy of the little things.

This sweet and positive story is an invitation to discover the treasures that life has in store for us. To let go from everything that makes us unhappy and to get hold of new and far more thrilling experiences. To see the world as it really is, as we used to see it in those long summer nights when we were children.

A deep and remarkable journey through the eyes of a deeply, lovely main character.

Maru, a 90-year-old woman, leads a normal, simple life in Oaxaca, México. She never learned to read, but she's full of knowledge. When she discovers that her grandson, whom she has never met, lives in Veracruz, she decides to ride on her bike—her sole possession in the world—and start a journey that will lead her to him. A journey into the world of dreams.

### Excerpts from the book:

*"They lied to you. They lied to you if they ever told you that the treasures you would receive would not have a price. But don't despair: that price is insignificant if you compare it to the gifts you will get."*

*"Life is playful and smart, and it knows that its only precious presents can only be gifted to those who deserve them. That's why life tests us."*

### Key selling points

# El chico del cartón de leche

## (The Boy on The Milk Carton)

**Do we care enough for our minors? A novel which explains one of the most symbolic cases.**

Every year over 400,000 minors disappear in the USA, according to FBI data, and in Spain 80% of the 16,000 people who remain unaccounted for by the police are minors. Chilling numbers have worsened during 2020, rising to 21%. Do we devote enough time and resources to investigating them?...

This novel introduces us to the case of Etan Patz, whose disappearance made headlines in the United States in 1979. Etan, who was only seven years old, disappeared in the Soho neighbourhood where he lived, when he went to pick up the bus to go to school. It was the first day he did it alone, and he never came back. His disappearance had such an impact on American society at the time that Etan's face even appeared on milk cartons to help find him and he became a myth for missing children all over the world.

# El tigre y la duquesa (The Tiger and The Duchess)

**A powerful thriller that mixes swift and cunning criminals, a girl willing to do anything to escape mediocrity and ruthless police.**

Barcelona, 2017. A cleaner finds the body of a beautiful girl, sitting on a bench in Medinaceli Square, dead with a smile on her lips. It would seem that she is asleep if it weren't for her blood-soaked clothes. Since she lives very close by, it is agent Elsa Giralt who finds the body and claims the case. But Elsa is on the wane: her husband has left her for her friend and her partner was quadriplegic in a shooting because she didn't know how to protect him. Her morale is low, but fate seems to have left this case in her hands to redeem herself and she is ready to solve it at any cost.

Meanwhile, a twenty-million-euro robbery at a jewelry store on one of Barcelona's main streets puts Harry Cranston, a private detective whom the insurance company has hired to recover the stolen goods, into play. He knows who is behind the robbery: it is the Pink Panthers, the most wanted criminal gang of all time.

Is there any connection between these elusive thieves and the beautiful murdered woman?

# Neko Café

**You don't need the 7 lives of a cat; you can be happy in this one!**

Nagore's life has been a series of calamities from the moment she separated from her partner and was sacked from her last job.

Just as she is about to lose her flat through failure to pay the rent, an old friend finds her an unusual job: waitress at the Neko Café, a café where seven cats hope to find an owner among the clients who come in to spend the afternoon there.

Even though her fear of cats, stemming from when she was little, makes her refuse the job at firsts, desperation drives Nagore to sign a trial contract for a month.

What she thinks will be nothing but chaos at the start, becomes a transforming experience after the first few days. Each one of the seven owners of the Neko ('cat' in Japanese) Café presents her with a key to the art of living: calmness, concentration, flexibility, or having a kind heart, among other values, which she applies in her daily life until it turns her life around.

# La doctora (The Doctress)

**A tribute to feminism, a reminder of where we came from and what we have accomplished through time.**

In the Spain of the 1950s, a first generation of women began to practice medicine. They were the pioneers in a territory still treasured by men and in which, for many, they were intruders. Inspired by the actual testimonies of female doctors of the time, this novel shows us their battle to overcome the prejudices of patients and colleagues, while immersing us in a plot full of emotion and mystery.

The intertwined lives of the protagonists: Paloma, Almudena, Pilar and Victoria make up a moving story: it was not easy to practice the profession they loved in a society that always put them below their male colleagues, relegating them to the role of nurses. While Paloma, a young woman recently graduated in Medicine, falls dangerously in love with the medical director of the hospital where she enters to work, Almudena discovers a strange legend about the sanatorium, which will lead her to think that Victoria and Pilar are hiding something.

# El obrador de los prodigios (The Bakery of Delights)

*Escribà is one of the most famous pastry shops in the world, and this is its history: two parallel plots that will cross in the fantastic world of baking.*

The creation and consolidation of the Escribà pastry shop is told through two stories that will finally merge: on the one hand, we live the story of Mateu Serra and his relationship with the first Escribà, an employee of the bakery, who will later take over the business and start the creation of the Escribà pastry shop. The new brand will experience both the unstable period caused by the Spanish Civil War and a period of prosperity and a great deal of creativity, partly thanks to the presence of big influences such as the Tholonià family or Joan Giner. On the other hand, we travel to 1947 to meet Alba, the exceptional testimony of an era of consolidation and that will give her life to get a job in the Escribà pastry shop, her main reference and inspiration. Alba will have to navigate against all the prejudices for the fact of being a woman to chase her dream of becoming a pastry chef.

# Els camins de la llum (The Paths of Light)

**This is the first novel based on the life of Louis Braille. An inspiring novel that proves that a reason is enough to face whatever happens.**

Louis Braille is three years old when a fateful accident leaves him blind. 1812, in France the blind are a burden for society, but the Braille family takes care of their son and invents ways for him to be independent.

Years later, young Louis has the opportunity to go to Paris and study in a school for blind kids. There he meets Margot, who will be his eyes and his greatest support during the moment in which the Braille alphabet will begin to take form and help improve the lives of all blind people.

**The first novel that was published in Catalan, Spanish, Braille and accessible audiobook for the blind at the same time.**

## Excerpt from the book:

*“During the last few weeks, he had witnessed how children, who dragged the weight of dependence, seemed released from this scourge. He was scared with the enthusiasm shown by passing notes written with the system designed by Louis Braille, and how they responded without needing a third person to which they had to participate in the content.”*

# Nos robaron la juventud (Our Youth Was Stolen)

The story of the young volunteers (called "the sippy cups") that joined the army to fight in the Spanish Civil War: many survived, many were imprisoned, but they all lost their youth.

By the end of the Spanish Civil War, 27,000 boys born in 1920 were called up. They were known as the "Cam of the Sippy Cups" as many were not even eighteen years old when they lost their lives in the bloody battle of the Ebro. The survivors ended up in dictator Francisco Franco's prisons and jails, in concentration camps or in disciplinary battalions, and then had to do a long military service. All of them kept for life the terrible memory of that war in which they fought in espadrilles and without cartridges. They endured scabies, lice, thirst, hiking, shrapnel. The broken voices of the dying children on the battlefield calling their mothers. The dead comrades, buried by the hundreds in mass graves. Those who survived relived everything in nightmares night after night, the moment they closed their eyes. They all knew for sure that their youth had been stolen.

## Excerpt from the book:

*And then I see Pepito, who is sixteen years old, who has just washed his clothes, who has taken a good ol' bath, who cannot know that forty-six days later a bullet will tear his chest near another river, who will prefer to keep silent about that and about other things until the day he dies. Nor can he know that the letter he just wrote to his parents and siblings before taking this bullet will bring here, eighty-one years later, a nephew of his who wants to meet him.*

## Key selling points

- ✓ Winner of the **Ramon Llull Award**, the most prestigious prize in the Catalan Language.
- ✓ The story of one of the saddest episodes of the Spanish Civil War, backed by the testimony of survivors of the battle, and the letters and personal diaries of the dead.
- ✓ The book was launched as a tribute to the anonymous heroes of the Quinta del Biberón on the 100th anniversary of their birth.

## Take control of your time and live a life full of prosperity and creativity

The one thing that can't be taken back is time. Once spent, time is gone. *Time Mindfulness* is an extremely useful guide to making each moment count, to understand that some things in life require less time and some others demand to be prolonged and duly enjoyed. How many times do you check your email? Do you have a full map of priorities? How many hours do you spend in your workplace?

*Time Mindfulness* provides a full guide to get rid of expressions like "killing time" so that we finally understand that what we need to do is make the most out of the time we have.

*"No more 'stand by'."*

Among many other things, in this book you are going to learn to give prominence to your priorities, eliminating the "time stealers" that are always on the lookout, and deactivating the excuses that lead you to postpone what you should be doing.

### Key selling points

- ✓ Cristina will forever change your conception of time.
- ✓ A perfect guide to understanding how time and its proper management, can bring happiness, wealth and success.

# Duérmete, niño (Go to Sleep, Baby – updated edition)

After 20 years since its first publication, here comes the updated edition of the book that has taught millions of children how to sleep well.

Sleeping well is essential for the physical and mental development of children, and their rest is fundamental for the family's stability.

In this book, sleep expert Dr Estivill details clearly and simply a scientific method to teach children how to sleep—a few serious and rigorous rules which have been recommended also by the American Academy of Pediatrics and the American Sleep Association. Through practical advice, parents will learn how to resolve the sleep problems of their child, and their main consequences: irritability, drowsiness, and difficulties in relationships with others.

# El método Tokei (The Tokei Method)

**Chronobiology for happiness. Adapt your routine for a healthier life.**

Thousands of years ago humans were harmonically connected to the natural cycles, which brought **health, energy and emotional well-being**.

Currently we still depend on time, but no longer pay attention to our internal clocks, responsible for appetite, sleep, energy or fatigue. This results in cardiovascular problems, metabolic diseases such as obesity or diabetes, psychic disorders and in the worst cases a greater propensity to certain types of cancer.

Based on chronobiology, this method is a training to learn to listen to our bodies and reconnect with its rhythms. Its easy recommendations will help us synchronize our tokei or internal clock to enjoy a life full of optimism and health.

## Excerpt from the book:

“The gadgets accompanying us day by day get synchronized. Phones share their information real time and update with our computer, tablet or the smartwatch on our wrists.

Nevertheless, as we connected such devices to our lives, we disconnected from mechanisms which are far more vital for our health and well-being, such as our internal clock.”

# Desayuno con partículas (Breakfast With Particles)

Science like it's never been explained before.

If you venture into these pages, you will discover a universe as wonderful as it is bewildering. Quantum theory is one of the most beautiful and amazing theories in science. The rules it follows are crazy compared to our everyday lives. They're counter-intuitive. As we enter the quantum world, our beliefs about reality, including our everyday reality, are challenged.

Sonia Fernández-Vidal, writer and Doctor in Quantum Physics, and Francesc Miralles, writer and journalist, invite us to a fun breakfast to which Newton, Einstein, Heisenberg and other famous physicists of history are also invited. Among cupcakes, doughnuts, coffee and orange juice, we will undertake a fascinating and revealing journey to the origins of the universe.

We'll learn what a particle accelerator is for, what the God particle is, how things can be in two places at once... and we'll try to understand the mysteries of existence.

Sonia Fernández-Vidal (Barcelona, 1978) is graduated in Physics from the Universitat Autònoma de Barcelona with a PhD on Information and Quantum Optics. She combines her research with teaching, another one of her passions, both in college and in adult facilities, and giving lectures as an introduction to quantum physics to non-academic audiences. She has published two books of fiction using her scientific knowledge, which highly enriches the plot. These two titles have been really successful: *Quantic Love* and *La puerta de los tres cerrojos*.

# La magia de Japón (Japan's Magic)

The secrets to Japanese culture as you had never seen before.

The author, Héctor García, has been living in Japan for almost two decades and his experiences as a Western citizen living on the other end of the world have given him a brilliant perspective from which he writes and explores.

Japan's magic will take readers on an ambitious journey to understand the secrets that lay deep into one of the world's largest societies: jobs, places, rituals and communication. All those issues we typically take for granted but that are different in Japan.

Through this beautifully detailed account of experience and documentation, the whole of Japan will be open to readers who are eager to understand such a distant country and to learn about those little things one can only truly experience if they have traveled there but from the commodity of home.

## Excerpt from the book:

*"When I arrived in Japan I first felt the shock of facing such a different society, now I feel like one more Tokyoite. Now I feel that shock whenever I get on the plane and travel to another country and have to face cultures different than the Japanese one."*

## Key selling points

- ✓ Bestselling author of *A geek in Japan*, *Ikigai* and *Ichigo- Ichie*.
- ✓ Japan will take a top spot of interest in the coming year due to the Olympic Games.
- ✓ The author's personal experience gives the book a depth that can seldom be found in other guide-type text.

## HECTOR GARCÍA

Héctor García, born in Valencia in 1981, has been living in Tokyo since 2004 and his webpage kirainet.com, with more than a million monthly visits, is a worldwide reference in Japanese pop culture. He is the author of the book *Un Geek en Japón*, which has sold more than 200,000 copies.

His book *Ikigai*, co-written with Francesc Miralles, published in 54 languages, has consolidated itself as the most translated book by Spanish authors in recent decades.

# Un geek en Japón (A geek in Japan)

**The perfect guide for Japan lovers. A wonderful journey through the culture and its legendary history.**

The ultimate guide to discovering the land of manga, anime, zen and the tea ceremony. Japanese culture has sparked a worldwide interest that is continuously increasing.

Destined to appeal to the generations of Westerners who have lived their youth through games like Pokémon, manga books and countless amines, *A geek in Japan* reimagines what the classical cultural guide looks like and turns it into a work of creativity.

There are things in Japan that remain a secret to us all, and the author manages to highlight them all into this perfect book for Japan lovers, that is not only beautifully done, but also highly informative.

## Excerpt from the book:

*“My blog became something of a phenomenon thanks to the enormous interest elicited by the unknown, for Japan has hardly any presence in Western media, despite being for decades the second-largest economy in the world. Why doesn’t it appear in the news very often? We’ll begin to appreciate why through our journey in this book.”*

## Key selling points

# El arte de la empatía (The Art of Empathy)

Learn about the power of your sensitivity.

Have you ever been told you were being oversensitive? That you tend to overthink? Do you need to please others in order to avoid conflict? Do you feel stressed with overcrowded places? If so, you are not weird, just empathetic, and you are not alone.

This guide tackles the most common problems of empathetic and highly sensitive people and offers tools to improve the relationships with others, deal with the sensitivity that makes each of us unique and develop our best potential. This guide will help you calm down the critical voice in your head and speak to yourself with sympathy, look after your body and mind to avoid fatigue, learn about the emotional reactions in order to have healthy relationships, learn how to say no and put our needs in the spotlight and understand our nervous system and reduce anxiety and stress.

## Excerpt from the book:

*“Empathy is uncommon in a world of individualism, competitiveness and backstabbing. A society dominated by such values, has no place for empathy and when it appears it is seen as a weakness.*

*But there is a great difference between having empathy and being empathetic. Being empathetic is a physical experience. It’s the experience of standing in someone’s shoes. By contrast, having empathy is a mental exercise consisting in imagining the situation that someone else is going through.”*

# La llibertat interior (The Inner Freedom)

**“The revolutionary fact is to discover who we are in our core.  
Only then can we be truly free.”**

In your hands you have a great little book that is born of the Catalan independence movement (the so-called “Procés”), but that does not speak of politics. In it, Gaspar Hernández explains what true freedom is for him: inner freedom.

Based on what great authorities in the fields of psychology and spirituality (especially the Catalan Antoni Blay Fontcuberta) have said, this book dismantles the obstacles that prevent us from being free. Some of them are fear, most of the thoughts that cross our minds during the day to day, or the character we think we have. This character is usually a mask that we end up confusing with our true identity.

Gaspar Hernández, using a close tone, halfway between the diary and the essay, explains the steps to achieve "freedom without limits."

## Excerpt from the book:

*Not depending on the outside doesn't mean that we isolate ourselves, that we don't want any connection with it, or that we become cold or apathetic people. It's the opposite, from our inner freedom we become more independent, but not less sensitive. We will not be so affected by situations, but we will understand them better. We will not cling to people, but we will feel closer to them, to their true side. "We will achieve freedom and independence, but, at the same time, a greater awareness of closeness to everything and everyone."*

## Key selling points

According to her own words, Keylah Missen wanted to write the book she would have liked to find when she felt lost, an initiatory manual of modern magic with which to approach the forces that act in our life, in a safe and free environment.

# Mi deseo depende de mí (My Desire Depends On Me)

**We look for perfection when it comes to sexuality. It is just not that simple.**

*My desire depends on me* is about the key aspects to understand feminine masturbation. It is a powerful guide to allow women to understand how powerful they can be if they can understand their bodies and to master pleasure both in a relationship and individually.

With a fresh style that will turn this into a diabolically entertaining read, the author provides answers and generates questions around the concept of sexuality and pleasure, as well as orgasms and all the notions behind them.

A fantastic read for those who are ready to always go one step further and keep control of their feelings, bodies and experiences.

# Alegría (Joy)

**Don't miss out on the little joys of life while you're waiting for happiness to happen**

Joy is a natural feeling in all human beings, and we can see it in babies every time they look around them and contemplate the world in awe. When we're grown-ups, we can misplace that gift which we are born with, but the truth is that we never lose it. Joy is a wonderful driving force that can conquer everything, that is always near us, sometimes so close that we can't even see it.

This book shows you 30 ways to activate in you the power of joy so that it stays with you forever.

## Excerpt from the book:

*"I've been told that you're carrying sadness. That's why I'll try to keep my letters brief. I don't want to overwhelm you, but I do want to remind you of our old conversations, those we had while having a coffee or a tea and a book on the table. I want to talk to you, in all of them, about joy, to see if there's anything that resonates with you and allows you, at your own pace and in your own way, to recover that gift that, from my point of view, is more than just an emotion."*

# Amor (Love)

Love as you have never seen it before. A new definition of love.

This is not a book about heartbreak, falling in love or sexuality. It is a practical manual to promote the most powerful energy we have, the one that unites us to others, the one that multiplies our strength to achieve goals and enjoy life with nutritious relationships.

To present this, each chapter invites us to carry out concrete actions to raise the quality of our bond with our couple, children, friends, or even in our work team, providing new visions to increase our balance of love and that of our beloved ones.

## Excerpt from the book

*“Honestly, I think that its innovation is precisely to provide a different definition of love because this is not a book on how to overcome a divorce or how to live romantic love. It is a book that aims to talk about love from a very practical side and the things we can do to grow love in the people we love, as well as in ourselves.”*

# Las Siete Llaves (The seven keys)

The secret is not pursuing freedom, but rather avoiding submission.

In *The Seven Keys*, the authors reveal what steps to follow in order to let go of limiting beliefs and how to achieve the seven keys that will allow us to live according to our essence: the key of belief, the key of judgment, the key of achievement, the key of enjoyment, the key of dedication, the key of identity and the key of being. In this journey of liberation, we are accompanied at the beginning of each chapter by *The Enigma of the Seven Keys*, an inspiring story in the style of *The Thousand and One Nights*.

You will find that the secret is not to be free, but rather, not to be a slave.

# Mindfulness para niños (Mindfulness for children)

**A book that will teach us to create a happier home through meditation.**

Would you like to have a shelter for rainy days? A place where a light would surround you at your arrival? A place where you would feel connected as if rays came out of your heart?

*Mindfulness para niños* is conceived for both parents and children to approach meditation and practice it every day. Through very simple exercises and daily practice we learn to connect with our breathing and body, to practice full attention and to distance ourselves from our thoughts and emotions.

Therefore, with a clear mind and an open heart our capacity for empathy, compassion and concentration will improve and we'll be able to see things more clearly and make better choices for a more authentic life.

## Excerpts from the book:

*"If our children see us meditate, they will probably do it naturally too, when they grow up. And if they do, they will become happier people. Since they are little, we can play with them to teach them playfully (never forcing them) different games to help them learn to connect with their body and their breathing and keep their hearts open."*

# Pequeño curso de magia cotidiana (A Quick Lesson On Everyday Magic)

Every little change in everyday life triggers important transformations and even, due to the butterfly effect, lead you to a true personal renovation.

Everyday happiness leans on lots of little rituals of which we are normally unaware of. Having a cup of coffee when we wake up, walking to work, meeting with our friends o going back to the oasis that is home... all these actions can be meaningful and transformative if we carry them out with sense, celebrating every instant that life gives us.

This little course on everyday magic is an invitation to being happy with the small moments that, as the wise men and women say, when we look back on them we realize that we're the big, important ones.

## Excerpts from the book:

*"The aim of this book, however, is not having to wait for the end of our days to realize how happy we have been, but rather have with us that happiness of leaving every moment as if it was precious and unique."*

## Key selling points

- ✓ The bestselling author, with international success, has written the prologue and epilogue with 9 advises on being happier.
- ✓ Structured through everyday rituals that we do at different times of the day, sometimes even without realizing we are doing anything. What the author wants us to do is to experience how we live, with mindfulness that allows us to introduce little changes that will give is more energy and happiness.

## ANNA SÓLYOM

She was born in 1981 in Budapest, Hungary. With a degree in Philosophy, she published in her country *Pillowsophia*, a heterodox essay applied to everyday life. She combines her facet as a writer with her therapies as a facilitator of life changes.

Installed in Barcelona since 2012, she collaborates monthly in the Integral magazine and prepares her first novel, A quick lesson on everyday magic is her new practical book.

# Reconecta con tu cuerpo (Reconnect With Your Body)

Understanding your body to win a new battle every day

Everything you experience, think and feel manifests itself in the body in the form of pain, stiffness, cramps and blockages or a general feeling of fatigue. If you learn to read its signals, you will discover the most powerful instrument to free yourself from everything that overburdens your physical, psychic and spiritual life. Your body will be a map that reveals both the problem and the solution.

This practical book by body therapist Anna Sólyom is a guide to face the daily battles, awakening the body's wisdom to achieve a conscious, energetic and happy life.

## Excerpt from the book:

*"It is truly extraordinary that something as fragile and vulnerable as the human body has managed to survive throughout evolution. If we consider how little time we can spend without water -four days maximum-, without food -forty days-, or that after 72 hours without sleep we can lose our hearing and vision, besides putting our life at risk, we are at a disadvantage compared to other species."*

## Key selling points

- ✓ Highly practical
- ✓ A refreshing and original approach to the art of understanding your body.

After successfully publishing the self-help book *De bien en mejor*, she returns with an inspirational novel.

# Ganbatte (Ganbatte)

**The Japanese Philosophy for achieving your aims.**

**Ganbatte** is the philosophy of self-effort and connection to what one wants. The change you need in life is already in you, but you need to reach out to it yourself; find the path that will open your mind to be conscious about what you want. In Japan, right before an exam, students don't wish good luck to one another. They say **Ganbatte!** because getting where you want to be has nothing to do with luck. It's about the energy and the effort you devote to something that will help you reach your objectives.

This is not a regular new book, this is the brand-new concept that will take the world by surprise. It is something fresh and new that is perfect for the times we are living.

## Excerpt from the book:

*"We live in difficult and challenging times. Many people feel they have to rebuild their lives, in the same way as the Japanese have rebuilt themselves after wars and natural disasters. The secret of the Japanese people to rise from the ashes like a Phoenix is in the Ganbaru philosophy that permeates its society. Ganbaru could be translated as "Do the best that you can! Never give up! Keep going"*

## Key selling points

- ✓ From the authors of *IKIGAI*, the international phenomenon in self-help publishing that has already **sold over 2,000,000 copies**.
- ✓ Héctor García, who lives in Japan and is an expert of Japanese culture, and Francesc Miralles were the first ones to write about this Japanese concept, which they discovered during a trip to the Okinawa Island

# El método Kamala (The Kamala Method)

**The book that reveals the keys that led Kamala Harris to success.**

For many, 2020 was a year to be forgotten. Certainly not to Kamala Harris, who stormed out to become one of the most relevant images we encountered. An advocate for the world figure, Harris came into the global picture when she put herself forward to run for President of the United States of America. Her bid was not successful, but when Joe Biden received the Democratic Nomination to run for president, he had one paramount task left: choose his running mate, his vice-president to be. His pick? Kamala Harris. The rest was history and come January 20<sup>th</sup> 2021 she will become the first ever female Vice-President of the United States of America.

Her hard work is unequivocally what has taken her thus far, but there is a lot more to her if we look closely enough. This great read offers you a guide through all the items that have led Kamala through her life; the routines she has followed and the methodology she has followed throughout her lifetime for both her professional and personal life.

## Excerpt from the book:

*“Controlling all the details before making any decision is part of Kamala’s DNA. She has mentioned that “you must be informed, ask questions and take all precautions” in order to make accurate decisions. In her career as an attorney she learnt that the slightest mistake could impact her negatively and many other people. The decisions you make today have a great impact in your future, therefore, making informed decisions, considering all the details is key.”*

# Rabietas (Tantrums)

**Don't focus on removing the tantrums, but on understanding them and using them to learn and grow.**

All children have them and all parents have to deal with them. They are the famous tantrums, capable of upsetting even the most conscientious and respectful adult. Temper tantrums often bring out our worst side, and in those cases, sadness and a sense of failure are inevitable.

What if so much suffering is unnecessary? What if it is absurd to even think about putting an end to tantrums, because they are an essential aspect in the development of children? What if the key is you, your ability to be present and to bring awareness to the situation?

You may find this hard to believe, but tantrums offer a golden opportunity to learn and grow together. Miriam Tirado accompanies you in this process of learning, so that you can educate the little ones from another place, more serene, considerate and free of pain... even in the middle of a tantrum.

## Excerpt from the book:

*"Sometimes it seems that instead of children, what you want is children in size, but adults in reasoning and behavior, and this, I'm sorry but it's impossible. If you do the process, I have recommended above of reflecting and being aware of the limits, you will realize that in reality there are few that you will have to apply. If they are few, conscious and firm, you have many chances that your son or daughter will respond in a very positive way to them and in no time, they will be perfectly integrated."*

## Key selling points:

- ✓ 3 editions in 3 months!
- ✓ Miriam Tirado is a certified parenting consultant and her advice has helped a lot of families.
- ✓ *Rabietas* is based on the personal experience of the author, who has two daughters herself.
